

REMARKS

This amendment is submitted to correct an inadvertent omission in Claim 32 as presented in the Examiner's Amendment. The amendment to the claim restores the word --area-- in the penultimate line of that claim, and conforms to wording previously in the claim.

Entry of this amendment does not present any new issue or require further search. Accordingly, the applicant requests such entry.

Respectfully submitted,

MERCHANT & GOULD

Date: September 12, 2007
